

## Teacher Expression of Interest Form (including Teachers-On-Call)

---

**Only those teachers who have this form on file with the school board will be considered for backfilling.**

The purpose of this form is to expedite post and fill to allow for teacher movement while maintaining stability for students. **Completing this form does not replace regular post and fill.** All teachers must continue to apply for posted vacancies.

Completing this form allows you to increase your FTE or obtain a part-time assignment when a position must be **back-filled**, i.e. a teacher has posted into a posted position and this has created an opening to be back-filled.

In the event a position is to be back-filled, the H.R. Manager, in consultation with the Superintendent, and then the SCTA President, shall contact teachers with continuing contracts according to seniority, and then non-continuing part-time teachers and TOCs. The SCTA president will have access to all expression of interest forms and will verify they are properly filled.
